

AMENDED IN SENATE AUGUST 8, 2002

AMENDED IN ASSEMBLY APRIL 9, 2002

CALIFORNIA LEGISLATURE—2001–02 REGULAR SESSION

ASSEMBLY BILL

No. 2678

Introduced by Assembly Member Aanestad

February 22, 2002

~~An act to add and repeal Section 21548.2 of the Government Code,~~
An act relating to public employees' retirement.

LEGISLATIVE COUNSEL'S DIGEST

AB 2678, as amended, Aanestad. Public employees' retirement: death benefits.

The Public Employees' Retirement Law prescribes benefits that are payable to the surviving spouse of a member who, at the time of death, had attained the minimum age for voluntary service retirement. Those benefits are applicable to the employees of a contracting agency only after the contracting agency has amended its contract to be subject to those benefits.

This bill would authorize Butte County to amend its contract ~~to make those benefits applicable retroactively to members of that county who died or die on or after July 26, 2001.~~

~~The bill would repeal this authorization on January 1, 2004 on or before February 1, 2003, to authorize the surviving spouse of a member to receive specified additional death benefits if the member was eligible to retire and was a public safety officer killed in the line of duty between July 26, 2001, and February 1, 2003.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

18 *of contracts.*

19 *(3) The member’s contracting agency was, at the time of the*
